INTERVIEWER: You have now come to the end of the initial interview. Make sure to do the following:

- (i) Thank the respondent for the cooperation shown by the members of the household during the interview.
- (ii) Take enough time to examine all the entries/boxes on pages 1 - 5e. Make sure that no empty boxes are left, for which an entry is required. In particular work out, with the help of the main informant, how information (missing) relating to members of the households who happen to be absent at the time of the interview can be obtained.
- (iii) Introduce the household to the Daily Record book (form III) as per instruction manual. Explain clearly that the record book should involve all members and not just the head or the main respondent. As much as possible encourage participation of all the members present including children, to exhaust the list of transactions for each day.
- (iv) Help the household to record all the transactions for the day. Make sure you code all the entries in the record book before leaving the household. You must do the same each day you visit to check on the progress of the record book.
- (v) Make an appointment for the next visit to check on the record book , form II.
